Looking Ahead

Destinations-part two

For the week of February 14th, 2010

(Questions and Scriptures for further study)

1. Read (and memorize!) Proverbs 27:12. Is there a time you saw danger ahead but continued on the same path? Why and what was the result?
2. Read Judges 6:1-14. Were the Israelites 'prudent' or 'simple' in responding to God? (vs. 1; 13) What was the result of following the path they chose? (vs. 1-6) How does this story relate to your life today?
3. Read Acts 5:1-10. What did Ananias and Sapphira do that was wrong? What did they hope to gain? Did the path they chose match the destination they were hoping for? How were they 'simple' in responding to the temptation to lie to God and the church leaders? What can be the outcome of ignoring dangers and just continuing on the same path? Why do we keep going anyway?
4. Review your message notes from Sunday. What are the four words you need to remember if you want to get serious about The Principle of The Path? (***Your direction, not your intention, determines destination.***) A_____ S_____ E_____
R_____ Choose a goal you hope to achieve regarding a relationship (with God/family/friends) or regarding your finances. How do these four words apply to that goal? How do you need your small group to specifically pray for you in this area?
5. Write out a specific prayer request reflecting what you have learned about The Principle of the Path.
