Attention Deficit Disorder

Destinations-part four

For the week of February 28th, 2010

(Questions and Scripture for further study)

1. Read Genesis 25:19-34. Which twin was the oldest? How were they different? What did Jacob use to grab the attention of Esau? Read Hebrews 12:16-17. What was the destination of the path Esau took?
2. Read Judges 13:24; 16:4-21. What grabbed the attention of Samson? What was the destination of the path he took?
3. These two stories explore some of the attention grabbers we face. What are some others? Are there some that are especially challenging for you to face?
4. Read Psalm 119:33-37. What are some practical ways you can keep from being distracted?
5. What has captured your attention?
6. What do you need to begin giving attention to?
7. Consider how your small group may be praying for you.
