NOW IS THE PERFECT TIME US!

We laugh a lot!

We work a lot!

We learn about music!

We fellowship!

We make a difference!

You see, we are "the biggest small group at New Hope"! Our choir does all the things we were put here on earth to do! We **CONNECT** with God and with other Christians. We **GROW** in our relationship with Christ. We **SERVE** by serving our church family and our community, sharing God's word in song. We **REACH** out and share the good news of Jesus with others. Sometimes music reaches people in ways that other words and actions cannot! We **CELEBRATE** through meaningful worship. Now is the time to join us!

We'll give you music. We'll give you a CD with your part on it to listen to. We'll give you 60 minutes each Wednesday night to gather with others to learn and share fun, uplifting music. We'll give you "Introduction To Singing In Choir" information to help you learn about music and singing. We'll sell you a **CELEBRATION GOSPEL CHOIR** polo shirt! We simply need YOU to add YOUR voice and "Sing to the LORD, praise his name; proclaim his salvation day after day." - Psalm 96:1-2

We sing with "The Four P's" . . .

POWER PASSION PERSONALITY PURPOSE

Think about that for a moment. Those are four very cool things to have in life! And you can experience all four of these things for yourself through our choir! If you have ever thought about singing with a choir, now is the time to join us. If you have ever thought about inviting someone to join our choir, now is the time to invite them.

Celebration Gospel Choir members talk about the choir . . .

"I like to sing even though I'm not that good at it. I was a part of New Hope's first choir, but couldn't sing soprano or alto, so I dropped out before the performance. Plus I was too chicken to sing in front of people, even in a crowd. But, I thought I'd give it a shot again with Ron and try singing tenor, and I can actually do it! I thought I would hyperventilate and pass out the first time we sang on stage, but it was actually fun and nobody could tell I was shaking because we were rockin'! So, if I can do it, so can you!"

- LeAnne Elizondo

"Those who sing, pray twice" "The gospel choir is not only a fun group to be a part of, it has given me a sense of really belonging to the church and serving the congregation."

-Lisa Martin Goodsell

"Being part of the choir gives me an opportunity to give back to God, but I always get so much out of it in return. It's like a musical health spa . . . you come out energized and refreshed!"

- Karlyn Apalategui
